Concierge
SECOND HOME MANAGEMENT

What is Concierge

You're tired of calling the neighbor once a week to wheel your trash cans to the curb.

You're annoyed arriving late Thursday night to a flood due to a neglected leaky pipe.

You've decided on Friday that you'd like to come out to your weekend home, and you want your Shabbos prep done.

We at Concierge offer high-end home management that takes care of it all.

Being in the property management field for more than 3 years, we know everything there is to know about maintenance and management.

Add to that the perfect execution of concierge and seasonal services, and you've got yourself the perfect team to achieve your needs.

We launched our company with the focus of eliminating the responsibilities of setting up your weekend home, as well as taking care of your needs year-round.

And that's our promise to you.

Let's get started,

Moshe Engel
